

INDUSTRY SOLUTIONS

Made to measure vehicle preparation solutions

NEW VEHICLE PREPARATION

PROVIDING A FLEXIBLE SERVICE TO OPTIMISE THE VEHICLE SUPPLY CHAIN

GEFCO are continually improving processes to deliver over and above expectations in all areas of vehicle preparation for new and existing clients. Ideally placed in the logistics chain GEFCO process more than 50,000 new vehicle preparation orders annually throughout our technical centres. Clients range from large fleets to individual orders, all of which require exacting preparation standards to meet their needs.
